Dear Charlie:

WOCB AM West Yarmouth, MA

It was so nice to see you during that great Radio weekend. Charlie I must say that you sounded marvelous on the Air. That old Charlie Greer magic is certainly still there in great quantity. I know that you would like to hear this: many and I do mean many people talked about your show. Everyone loved what you did on the Air.

WKGL FM Middletown, NY

CBS FM did a beautiful AND very smart thing by airing that weekend. And like you said in your letter to me: we did stand New York on its' EAR and boy did they take notice.

WJJB FM Poughkeepsie, NY

Charlie please give my best to your family and a big kiss and a squeeze to "Queen Kong". I too miss those fun days that we had together, we certainly were a bunch of lucky (AND TALENTED) guys doing what we did best and really enjoying it. Perhaps we will all work together again soon. I hope so.

Charlie stay well and please keep in touch with me.

WHMP FM Northampton, MA

Your Friend.
